Resala STEM youth charity

Resala STEM Charity under the supervision of Resala Charity Association is proud to present that

Mohamed Nasser Rady Ali

Participated in Resala STEM youth charity for season 2022/2023. The volunteer has devoted their time and talents to helping people in need in any way possible, both materially and morally. Participated in visits to nursing homes, orphanages, hospitals. Also collected and distributed food and clothing to those in need, recycled donated books, and visited distant poor villages.
